From My Lips to Yours!

Lots of magazines say they give you more bang for your buck. Well, when it comes to ***SWANK*** that's no line of bullshit. We cram more pussy between these covers then most men will see in a lifetime. Hey, and it's not just pussy. We serve up a healthy batch of tasty tits, scrumptious ass and page-after-page of fucking, sucking, licking and in your face (well, not your face) cum shots! Though if you watch my movies, you'll see I've had my face covered in cum quite a few times!

Give me an *"S!"* Give me a *"W!"* Give me an *"A!"* Give me an *"N!"* Give me a *"K!"* What does that spell? What does that spell? *"SWANK,"* of course! What else? Heehee! If there wasn't a *SWANK* magazine, we'd have to start one up anyway! Luckily, *SWANK* is here already! So, without further ado, let's do it!

Hard Fuck or Soft Fuck?

Mary, my question to you today is: Do you chicks like to get rough-fucked? Or do you girls like to get a nice, slow fuck? It's a serious question. In my mind, I want to bang the shit out of a chick, but not unless she is into it? What say you Ms. C? **Larry H., Glen Cove, New York**

MARY: *I say screw me super-hard, Larry! But that's just me! Well, not really, so let me explain: Some girls do like to get rammed and re-rammed—hard and fast. While other girls do prefer taking their regular dose of cock much slower and softer. However, do you know what most girls probably enjoy? Starting off your fuck session slow and steady, then working up to where you are taking them much rougher. Yeah! Like a lot of things that are different between men and women, Larry, gals like to take things slower and then increase the intensity in time—while you dudes are ready to go to the extreme without delay. So, give the object of your sexual affections a bit of time, and shortly she will be begging for it as hard and fast as you can give it! For sure!*

Will you be doing more film directing in the near future?

When I do, it will be something well worth the wait!

Porn Star Pride?

When I read about porn stars, it is obvious that their names are fake. I mean with names like Kitten this, and Pussy that, of course their parents weren't stupid enough to name them that. So, what is up with that, Mary? Aren't you all proud to snort dick for a living? **Jeremy C., Riverside, California**

MARY: *If you are talking to this porn star, Jeremy, I am as proud as heck 24/7 about my sex star status, but it's a bit more complicated than that. First of all, you should understand that XXX performers using acting names is really no different than mainstream celebs doing the same thing. You think the parents of Marilyn Monroe, Pink, and Eminem all named their children that way at birth? Not. Those names are "cooler," just like porn names are cooler than "regular" names. So when a non-X actor goes into his business, he adopts a performing name, and when an X-actor starts to fuck-for-bucks, she/he as well does the same thing. It just makes for a more interesting persona, but the XXX business has another wrinkle, and that is, of course, that although what we do for a living is completely legal, it is not yet accepted by many members of our society—so for safety, security and privacy sake—99 percent of porn actors choose stage names. As for yours truly, since I ran for governor of California years back and had to list my birth name on the ballot, it's no secret who I am! But for most, it makes sense to use a porno stage name—nothing to do with lack of pride, dude!*

Whorehouses On Rise?

Hi, Mary, I have to admit that I dig all things sexual, and I am always checking out strip clubs, porn movies, swinger clubs and anything to get my rocks off. Over the past few years, there seems to have been a lot more focus on hook-

ers and whorehouses, and a once-seedy profession may have become more acceptable. Any thoughts, Mary? **Brandon E., Easton, Pennsylvania**

MARY: *Yes, lots! And to be honest, this is a very important issue to me because as far as I am concerned, the issue of prostitution is one of both women's* and *human rights, and not just about getting laid! Let me put in this way: What do you mean it is illegal for me to tell a guy he can squeeze my tit for 20 dollars if I feel like it—it's my boob! My body, my choice I say! So, it's about time this hypocrisy was XXX-posed! Porn is legal, stripping is legal, swinging is legal, but hooking? Bullshit, I say! However, as you point out Brandon, the world is starting to come around, and more and more locales are either making hooking legal, or at least not bothering with it. Even here in the US, the handful of legal brothels in Northern Nevada have slowly gained a significant amount of respect—and they are visited and frequented by various celebrities and other mainstream folk. I look forward to the day when prostitution is legal throughout the USA—and the world!*

Potty Mouth

Fuck! Shit! Homo! Homo! Fuck cunt! Thank you for your time, Mary. **Clive M., Orlando, Florida**

MARY: *No! Thank you, Clive…I think.*

Smells Like Sex

What role does smell play in sexual contact, Mary? Personally, I enjoy the smell of sauerkraut, but I know that makes others puke. So, how does it work with sex? **Walt C., Mobile, Alabama**

MARY: *Sauerkraut, ugh! But your observation about smell and sexuality is a worthwhile one. Ever try to have sex with someone who didn't bathe, is overly sweaty, or just plain stinks? Well, good luck! It ain't working! However, make that person smell good, and it's a whole new situation! Next off comes the smell of sex itself. We've all heard of that saying: "It smells like sex." What's that? Think of the combination of sweat, cum and whatever else starts secreting when two horndogs go at it. And that's a good thing! So, I would say if you start off smelling like a rose, and go from that to some hardcore action and sex up a storm, that sexual smell will only tend to further your X-rated passions, and not make you puke—like that cabbage thing might! Phew!*

Aren't all *I am as proud* **porn stars** *as heck 24/7* **proud to** *about my sex* **snort dick** *star status!* **for a living?**

Mary Carey—Director!

Everyone is familiar with your body of work as a pornographic movie actress, Mary, but I am actually much more intrigued by your directing work over the years, yet there has been so little of it. Any chance you will be doing more film directing in the near future? **Mark D., Cleveland, Ohio**

MARY: *From my hometown! Cleveland rocks! Cleveland rocks! Heehee! I just love Cleveland!! And your question Mark, as much as I love starring in porn fuck-flicks, I as well enjoy directing them! But you are right, I haven't done that enough! In fact, aside from my famous* Mary Carey Rules *series (Kick Ass Pictures), I've only directed a handful of other scenes. Why? No real reason, Mark, only that directing a movies take a heck of a lot more time, trouble and hassle than just fucking and sucking in one! In most pornos, if you are hired to act in it, you just show up, slam your scene partner and leave a few hours later. Want to direct? Then you not only have to spend weeks prepping beforehand, be the first to arrive to shoot and last to leave, then spend weeks more in post-production. So, it's a whole big ordeal that takes a lot out of you. Will I direct again? The answer is: Yes! Will I direct anytime soon? The answer is: I don't know! Stay tuned, Mark, I for sure want to, and will, and when I do, it will be something worth the wait!*

"I Will Make Your Girlfriend Obsolete!!!"

Growing up in a small town, I dreamed of bigger and better things. I wanted to travel the world and see the sights that I had only fantasized about or seen on the big screen! All of these things seemed less than achievable as after my hometown high school graduation, my fellow classmates stayed in my small town, got married and started popping out kids right away. That was the fate I was heading towards, too. At least I thought it was, until the summer before my junior year in high school. An Air Force recruiter called my house and all I really remember about the conversation between my parents and I was from my dad. "You cannot join the Army, Navy, or Marines. So, I guess that leaves the Air Force." I graduated basic training and headed to Mississippi for Technical training where I found out that I would be heading overseas to be stationed in Japan! I couldn't have been more excited! My family, however, did not feel the same. I didn't care, though. I was about to see the world! I mean, I had already seen two states in during my training, not to mention some of the hottest men in the country—outside of the cowboys I knew from home! After eight weeks of technical training I headed to Japan. I was on station for approximately four months when I was told I was going to Saudi Arabia for "Operation Southern Watch," which was the aftermath of Desert Storm. I have never been hornier that in the middle of the hot desert with 3,000 sweaty amazing-looking men! Oh my god, did I have the time of my life! During the nine years that I spent in the military, I was deployed to Afghanistan and Iraq two times each. I was able to serve with, see, meet and greet some of America's finest while I was deployed. In September of 2005, after serving nine years in the military and three of that in Denver Colorado, I decided my service to my country was finally at an end. I had traveled the world, but I wanted more. I wanted an education, so I promptly started college, and with my drive, I started out the gate with 18 hours a semester. To supplement my income, I began dancing at a local strip club in Denver. After a few months, I came to the conclusion that 18 hours a semester and dancing was not going to cut it. My grades were starting to suffer and I wasn't going to allow that! So, my boyfriend at the time suggested that I began escorting. I immediately replied, "I will not walk on the street!" I was offended that he would even suggest such a thing! He first calmed me down as any good man would do,

I want every man to know how to reach inside and touch her G-spot!

I love the freaks that are not afraid to say what they want!

with a round of "I'm the man and I'm in charge" sex! Of course when we were through, I had no choice but to listen since I was left breathless!

I filled up my client—or friends (as I like to call them)—roster very quickly, and soon could not take any new clients. Having a regular friend base is essential in any business you attempt, and I was lucky I had it. I went to school all day and into the evening, work after, or in between classes. On days with no class, I did homework while taking short breaks to release some of the tensions of others and some of my own tension as well! Three and a half years later, I graduated with a BS in Computer Information Systems with continued work on a minor in Health Care Management, hoping for another degree in Accounting. I love to learn and try new things as it is essential for me to keep my imagination on the go! After graduation, I decided that I really wanted to try porn. I mean, I love sex. No, I really, really love sex. I don't have a sexual addiction so-to-speak, but I love teaching new things, learning new techniques and most of all, learning about different people! So, to get into the porn industry I decided to post an ad on an Internet site. A hundred emails a day from different agents and agencies wanted me to come to Los Angeles. However, there was one in particular that caught my eye, and it was from a manager looking to promote me! I needed someone who knew the industry—as well as the valley—enough to know where to take me and who would want to see me. At that point I hired a manager, and within three weeks, he had me on a plane and headed to Los Angeles, California to start my porn career!

I flew into L.A. where I met an amazing and well- known photographer who was dragging my bags! I couldn't believe it! We went throughout the airport grounds taking pictures of my arrival to Los Angeles—and to porn. After picking up another new arrival to the porn industry, we headed to a hotel to rest up before the next day of go-sees and a photo shoot by the pool. The next morning was filled with "Move here," "Pose this way," and "Lets go see if we can get you laid!" Off we went to the "go sees," and during my week in Los Angeles, I was signed onto one scene, which was a fantastic experience. My manager at the time was going to Dennis Hof's world famous Love Ranch and asked me if I would like to join him. I had no idea that this place existed, but of course I wanted to try and have the adventure!

We arrived in Carson City, Nevada on June 21st of 2009. I walked into The Ranch, and I knew that this was going to be an amazing experience and something I was going to love doing! I literally jumped in running! I booked over 1,000 dollars for my first party, and didn't even have sex! For those of you wondering: Yes, I am that good with my mouth! That happens a lot to me now. Let me tell you about one

party in particular: We started off emailing one another, and after some very heavy flirting, he couldn't take it anymore and had to see me. He arrived on a Friday morning and I walked up to him, wrapped my arms around his shoulders and gently—but forcefully—kissed him. He was mine from that point forward. We walked down to the VIP room hand-in-hand as I kept my eyes glued to his. We discussed and took care of business for our party. I dimmed the lights as I entered the room. Slowly, I walked over to him pulling each strap of my bra down and over my shoulders until I reached him. I slowly put my hands up to touch his face while I slowly and passionately kissed him into submission, while undoing his pants and letting them drop to the floor. I led him to the bed and asked him to lie down. As he laid down, I removed my bra and panties slowly as he watched every inch of me. I slowly kissed the inside of his knees up his thighs to his balls. His moans let me know that his balls were enjoying the wetness and feel of my tongue licking here and there! As I slowly moved up his stomach, to his chest, up to his neck, I finally met his lips with mine! I slowly lowered myself onto him, and his moan was the sound of pure pleasure. He shot his load less than a minute later!

I love my work. I love accommodating men and woman alike. I love teaching them new ways of pleasing each other or pleasing the opposite sex! I love the freaks that are out there that are not afraid to say what they want! I love it when a man walks up to me and says, "I want you." That is such a turn on, but then again, if he is shy and I want him, he will be mine. I make sure of that! Above all the "Girlfriend Experience"—known as "GFE"—has become my favorite party to offer. I am a born pleaser that loves to make her lover fall in love. I love to hold, cuddle, kiss every inch of their body (yes, every inch!), hold their hand, look into their eyes and make them feel loved, appreciated and wanted. I want every man that I see to know how to eat pussy the right way, how to reach inside of a woman and touch her G-spot and make her scream with ecstasy. I want him to know how to seduce a woman. I want him to walk away from me knowing he will return, as he will never forget my face, body, touch and thinking each and every time he thinks about me, he will tremble with desire! However, most of all, he will remember my name: Chloe Daniels—but I warn you, spend a few hours with me, and I will make your girlfriend obsolete!

THOS

I opened my induction of late'70s-to-early '80s porn stud/actor, Mike Ranger, into The X-Rated Critics Organization (XRCO) Hall of Fame by pronouncing...

"Cold Noses, Hard Nipples, Warm Hearts"

"While our industry worships its beautiful ladies…a hard man is good to find." And damn, if quite a few members of the rather rowdy audience in The Hollywood Highlands didn't take their hands off their drinks (and/or each other) to clap in genuine appreciation.

It was Thursday evening, April 29, 2010, and the 26th XRCO event was being held on top of The Kodak Center, within less than 50 yards—and almost directly across the street from what used to be the location of the office building (now remodeled) where I managed the adult industry talent agency—Reb: Sunset International from 1973 thru 1984. Where, in fact, Mike, very shyly, wandered in looking for work—and I quickly bestowed upon him the name "Ranger," because he looked like he was part of the United States Forestry Service.

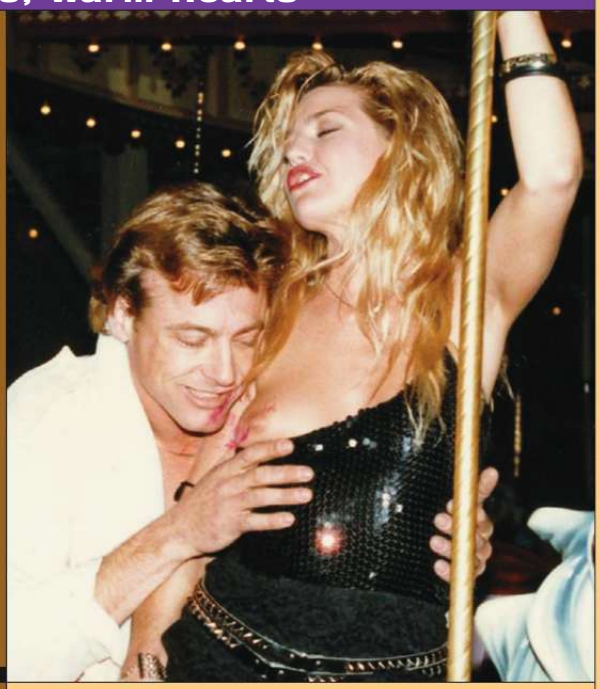
Although I was one of the founding members (along with Jim Holliday) of the XRCO way back in 1984, my relationship with the group had been spotty since its sixth award presentations known as "Big Wednesday" on February 14, 1990.

First, I had returned to the fold in the capacity of Adult Entertainment Industry Historian—an unchallenged (and unenviable) role I painfully inherited when Holliday passed away in December 2004—and in that capacity, was helping the XRCO's Chairman, Jared Rutter, present The Hall of Fame as well as preparing to deliver the necrology—consisting of a list of names of all those in X who had passed away since the 2009 event.

However, just before I acknowledged the eight (including Juliet "Aunt Peg" Anderson, Erica Boyer, Richard Monfort, Jack Wrangler, David Aaron Clark, Joe Sarno, Sam Menning and Jamie Gillis) who were no longer with us, I perversely seared the crowd with: "In 20 or 30 years from now, if I am up here mentioning any of you, then you should be resting peacefully in the fact that you made an undeniable impression on our industry." Now, I'm pretty sure that no one there knew what I was talking about, but it sure as hell felt good saying it.

And while you are reflecting on that thought, I'd like plant another one in your mind by paying homage to what I firmly believe was the last innocent evening that the adult entertainment industry ever spent together.

Her hand searched out the front of my jeans and found what it was looking for... throbbing in expectation



Proudly lifting the redoubtable teddy bear—Mr. Stubbs—above my head, I saluted the shivering crowd attending the sixth annual XRCO Adult Film and Video Awards with the declaration: "Welcome to the Playpen of the Damned."

It was February 14, 1990, and The X-Rated Critics Organization had decided to rent out a portion of the Santa Monica Pier —including its famous Merry-Go-Round—which proved to be irresistible to many lusty ladies including: Nina Hartley, Selena Steele, Jeanna Fine and Miss Sharon Mitchell) to present its Heart-Ons (formidable wooden awards, each one uniquely hewn from redwood and branded with an X) to the very best adult entertainment performances and productions from 1989.

(For the record, the big winner that frosty evening was the incendiary Tori Welles, who took home Heart-Ons for her erotic efforts as "Starlet," "Female Performer of the Year," and her "Best Sex Scene" actions with Buck Adams in *The Chameleon*.)

Having risen from the tumultuous ashes of discontent engendered by The Adult Film Association in the mid-1980's, and

E were the LAYS

By William Margold

fueled by its daring motto: "To promote truth and honor in the erotic film and video community for the enlightenment and betterment of those seeking the finest in adult entertainment"—the XRCO (comprised of carnal cinema critics from all over the United States) was riding high on what its members truly believed in: "As critics, we act as interpreters between the creators and consumers of adult entertainment. We included the 'X' in our name because 'X' is the nature of our business, and we feel no need to hide behind euphemisms. Our purpose is to separate films and videos of passion and artistry from routine formula sex flicks, and to honor them accordingly."

And the wave metaphor was played out the fullest extent that evening—which because of its oceanic proximity; was labeled "Big Wednesday."

What the coordinators of the evening (including Jim Holliday and myself) didn't consider was the winter seashore weather, which—by the time the evening shuddered to an end—was well into the bone chilling, hand-numbing, teeth-chattering low 30's. Also, the concessionaire for the evening hadn't even brought the equipment/resources to make and serve coffee or hot chocolate.

The famous Santa Monica Pier Merry-Go-Round proved to be irresistible to many lusty ladies

However, the "Dressed To Impress" adult industry crowd huddled together and amusingly sucked it up—as best as they could—while letting as much as possible hang out.

My own relationship with the Santa Monica Pier and its amusement ride (which was featured in 1973's, *The Sting*) extended all the way back to the very early '50s, when, for a couple of years, I lived within its shadow in an apartment house that nudged up against the original Muscle Beach.

Therefore, I was thrilled to be returning to a portion of my past, when Holliday and I made the arrangements with the Santa Monica Pier management to hold "Big Wednesday" there in a tent set-up that would be attached directly to the famous amusement ride. Yet, as previously mentioned, we didn't count on Mother Nature being so uncooperative. As also previously mentioned, the presenters (particularly our Mistress of Ceremonies, Nina Hartley, fashioning a purple body suit) and many of the other performers, clad in as little as possible, were remarkably good-natured throughout the proceedings.

I, of course, intended to maximize my return to the biggest sandbox from my perpetually rebellious past, by enjoying some pre-show activity with a lovely lady named Dusty who had expressed an interest in looking under the pier. Although I attended the event with my beloved Viper, she had absolutely no intention of joining us, as she was content to hangout with Porsche Lynn.

The sun was sinking into the sea, bathing the dusk in a golden glow that falsely suggested that it was warm. However, a cool breeze was in the process of becoming an icy wind as I led Dusty down the stairs on the south side of the pier and onto the beach. The sand crunched under our shoes as we walked along, holding hands, silently appreciating the awesome presence of the ocean that extended to the horizon in front of us. Finally, as the cold air assaulted us, we hugged and kissed, more out of necessity than passion, and our hands wandered over each other's bodies. As dusk became an eerie darkness, we managed to stumble under the pier. I massaged Dusty's sexual center through the crotch of

her extremely tight pants, and she moaned deeply into my mouth. Her left hand searched out the front of my jeans and found what it was looking for…throbbing in expectation. She dropped to her knees, undoing my pants on her way down, and pulled my cock out through the slit in my boxer shorts. Thankfully, she didn't leave me dangling in the bitter cold long enough to give my dick the chance to even remotely think about reacting to the elements. Her mouth was devilishly warm, and her oral talents were exceptional. When her right hand slipped up into my boxer shorts and began very intently squeezing my balls, all I could do was sigh. Dusty was fully aware of that because my pants were down to my knees and shaking from the cold air. She was much more concerned about the moment that my shaking would be overcome by my tensing up, which would signal that I was about to shoot—which didn't take very long to arrive at that moment anyway. I expelled a groan into the night air and was amused that I was able to see my breath. Meanwhile, I made no attempt whatsoever to resist the temptation to show my gratitude as Dusty worked my balls knowingly, and then proceeded to swallow all that they had to offer. As she rose up, she pulled my pants up as well, zipped me up, and even adjusted my belt. Then she kissed me. I tasted pretty good on her lips. She smiled and said, "Let's get back to the show."

As we walked towards the stairs, the sound of the waves incessantly caressing the shore was soon overwhelmed by the raucous intonations of The Billy Cioffi Band—the XRCO's musical diversion for the evening. I looked back at the ocean, shivered for any number of reasons, while soulfully realizing that although I fancied myself to be "an overage juvenile delinquent," my accepting certain responsibilities—including a considerable portion of helping to create the XRCO—I was very reluctantly growing up.

Viper, who was holding Mr. Stubbs, spotted us as we entered the tent. She eased over, smiled at Dusty, who nodded respectfully and then headed toward the bar. "Have fun?" she sarcastically queried, her eyes radiating the sparkle of mischief. I nodded. "Good, because Holliday was growing frantic looking for you. He needs you backstage. And don't forget your bear," she added, handing me the mini- tuxedo-coated stuffed mascot of the organization.

The backstage area had been haphazardly fashioned, and was not very well-shielded from the elements, so that the freezing wind that was howling through it, created a wind tunnel effect, and all I had was Mr. Stubbs to keep me warm.

The teddy bear (who will eventually have an entire "Lays" column dedicated to him, complete with pictures) had been given to me by my extremely talented writing partner, Mark Weiss, on July 4, 1983, and had become omnipresent (on both sides of the camera) in many of my productions since then. To maximize his persona, I even got him listed in the phone book and made him the creative coordinator of Worth Mentioning Public Relations. As previously mentioned, he was the mascot of the XRCO, and he even had a wardrobe of t-shirts designed for him.

In fact, although he has been retired to the top of one of my bookcases, his comforting countenance is the logo of Protecting Adult Welfare. My reasoning is that the very first thing a person—during their infancy—confides in, and learns to trust—is a stuffed animal. And trust is the spine from which a body of self-confidence and security can grow.

It should also be noted that Mr. Stubbs was onstage throughout "Big Wednesday" in the company of Tami Monroe—the XRCO's Heart-On Girl—and was quite prominent during the presentation of the first Fans of X-Rated Entertainment (FOXE) "Favorites" awards, which essentially signaled my rebellion against the XRCO's pompous policy of excluding the public from its event.

In fact, Stubbs and I excommunicated ourselves from the XRCO "Big Wednesday," as FOXE began staging its own "Fan Favorites" shows in 1991. FOXE's events (in locations including The Mayan Theatre and The Diamond Club) became the stuff of lusty legend. But "Those" are the tales/tails for future "Lays" columns—complete with pictures, of course!

The "Dressed To Impress" adult industry crowd let as much as possible hang out

"Meet Cami Parker—The World's Next Sexual Superstar!"

Text By Ron Jeremy. Photos By Marc Medoff/Adult Press Service.

One of the benefits of being me—other than the fact that I don't have to wear someone else's clothes—is that I have girls coming up to me all the time—virtually every day—that want to get into some aspect of the XXX biz. In the street, in stores, in restaurants, in movie theatres, in train stations—everywhere! Girls recognize me and say, "Hey Ron! I always wanted to be a sexual superstar—but I don't know how!" This happens so often I ought to open up my own X-rated talent agency! However, what I do is try to give whatever tips I can, although I have to be honest, sometimes some of the girls who approach me, are…er…ah…eh…not exactly suited to be a stripper, porn star or whatever—know what I mean? On the other hand though, on some occasions, some girl comes up to me out-of-the-blue that is a sure-fire totally fine, knockout. A girl who, if she wanted, could really become the next-big-X-thing! And guess what? It actually happened not that long ago, and just my luck, I was traveling with my good pal and porno paparazzi photo-guy, Marc Medoff, and we got the pics of the first meeting between myself and…Ms. Cami Parker!

Cami is from Vancouver—home to some of the most beautiful blondes in the world

We met, we limo'ed and, that same day, Cami Parker became a BunnyRanch Bunny!

Don't know the name yet? Don't worry, you will soon! Back to the beginning! So, this was a little while ago, when I was stopping off in Reno, Nevada to see my good friend, Dennis Hof—owner of the world-famous Moonlite BunnyRanch—the legal brothel located in Carson City, not far from the Reno-Tahoe International Airport. Anyway, I get off my plane and I am on my way to get into my limo out front, and then, guess what? This incredibly gorgeous, big-busted blonde steps in my way.

"Are you Ron Jeremy?" she asked.

"Of course!" I answered, because I can never tell a lie.

"Ron! I love you so much! I love all your movies! You are so cool! I want to be a sex star, too—just like you!" she gushed.

Well, I was actually running very late, and the limo was waiting, so I asked this young lady her name. "Cami Parker!" She said. I asked her where she was going. "Anywhere you are!" She answered, and finally if she was over 18. "Just barely!" And with that, I said, "Okay, Cami, let's go for a ride!" To this day, I don't remember what Cami was actually doing in that airport that day, where she was going, or what she was doing with her life—but at the end of the 45-minute limo ride, Cami was ready to start a whole way-of-life for herself. Not surprisingly, she is originally from Vancouver, Canada—home to some of the most beautiful blondes in the world—with 32DD hooters, a set of great green eyes, and a super-fantastic fun-all-the-time attitude that never stops—then why not?

It only took a few hours to book Cami into the BunnyRanch system, snap a few nudes of her, and put her photos up on the *www.BunnyRanch.com* website—and as soon as they were uploaded, their server was flooded by emails from men and couples wanting to come over to Carson City and have some fun with her!

True story, you might be asking? Yup, and you can look at the pics on these pages to prove it—and as always, they are completely exclusive, and no one else has ever seen, or published them before ***SWANK***! We met, we limo'ed and that same day, Cami Parker became a BunnyRanch Bunny! I had to leave the next morning, but with Cami in good hands— already well on her way to becoming a sexual superstar—I could take off with a clear conscience as my "work" here was done!

Now, the postscript to this tale is what? Just take a gander at the first pics the ***SWANK*** photographer took, and then some months later; Cami was photographed by some of the most famous adult mag shooters on the planet (who also saw her on the website and quickly wanted to book her for shoots).

"So, Ron," you are now saying, "Thanks for the teaser, but when exactly are we going to see the great Cami Parker fully revealed in ***SWANK***?" Hey! Don't you guys like surprises? You think I'd forget about you? No way! I never forget about you! Never! Stand by, ***SWANK***OIDS! The best is yet to come in the Cami Parker story. Trust me, the best is yet to cum! See ya later, everybody!

I could take off with a clear conscience as my "work" here was done!

2010 BABE OF THE YEAR AWARDS

Budapest, Hungary May 2010

Jo — the 2010 "Babe of the Year"

27660

RED CARPET EVENT FOR EUROPORN'S CREAM OF THE CROP

This year's darling of VivThomas.com is the super sexy Jo—who walked off with the 2010 "Babe of the Year" award. She's obviously a showstopper, as this is the second time that fans have voted her as their favorite choice. She won almost twice as many votes as runners-up—Lisa and Peaches combined! Jo, Eve Angel and British

Jo acknowledged that receiving the top award for the 2nd time was a fitting end to her career

bombshell, Sasha, were all rewarded for their stunning work at the glam awards evening held at a restaurant in Budapest on April 27th. Another winner was multitalented, Janos, (James Brossman) who won the "Best Boy" award before proceeding to literally sing for his supper—showing that his hip, mellow voice is worth noting as much as the other parts of his body.

Now in its fifth year, the glamorous VivThomas.com *Babe of the Year Awards* evening has definitely become an event in the calendars of lesbian fans worldwide. Complete with a red carpet at the entrance of the restaurant awaiting the cream of Europorn's crop, were Sandra Shine, Vera, Lisa (Cameron Cruise) and others. The evening began in fine style with exotic cocktails, wine, beer and champagne

setting the stakes. Cameras flashed, pens scrawled autographs, and video silently recorded events as they happened. The ever-so-gracious Viv Thomas welcomed the guests and handed out the awards to the blushing babes. Sasha was thrilled and delighted to receive the "Newcomer of the Year" award, while a cool, calm Jo acknowledged that receiving the top award for the second time was certainly a fitting end to her career—or is it? At the ceremony, she hinted at possible future projects.

Several members of the *VivThomas.com* Forum mingled with the girls alongside a few industry guests. They were the selected few to be invited to join Viv and his team for a cozy and fun evening. The

Jo's obviously a showstopper, as this is the second time that fans have voted her as their favorite choice

delighted fans wined and dined with the stars, got their photo taken with their favorites and some were even lucky enough to snuggle up to them—lip to lip.

After the formal proceedings, the party swung into full mode. The dinner was Hungarian cuisine of course, followed by a saucy set of stripping by Dorothy Black—one of Hungary's top strippers—and then some really dirty dancing between the guests. When the festivities eventually died down at the restaurant late into the night, this did not herald the end of the evening for many who continued frolicking until who knows when.

Yet again, the *Babe of the Year Awards* evening was a memorable event and credit must go to all those involved in putting on such a fine evening—not forgetting the man at the top himself. Thanks, Viv.

DIRECTED BY:
Robby D.

AVAILABLE FROM:
Digital Playground

RUNNING TIME:
148 Minutes

HEAT INDEXXX:

Madison Parker & Scott Nails

With this being an ass sex show, Madison keeps the cocksucking and pussy porking to a minimum in order to give the butt-banging fans the payoff they crave. The pole takes a four-star tour of her deep, dark anus, then withdraws so the nut can be drained on Madison's sexy mouth.

Raven Alexis gained much of her notoriety in Digital Playground's more story-driven flicks. However, in smut discs like this where the part calls for nothing less than a triple-hole snoggin', Raven gets to show off her more depraved side. Raven lays it all on the line, straddling Manuel Ferrara's dong as he ball slaps her major league style from the rear.

Kerry Louise & Mick Blue

Jayden Jaymes & Manuel Ferrara

Watching British bombshell Kerry Louise's FF-cup rack rock while getting popped from behind almost made me forget that this was an anal soiree. But her starfish steals the attention back when Kerry slips her soft, dainty finger into her ass as her butt cheeks receive a fresh coat of white paint after a round of frenzy fucking.

Jennifer sits on the toilet as a boner is fed through a glory hole and into her happy place. Wisely, most of the camera work is aimed at keeping the man out of the shot so we can jerk off to a lone view of Jennifer working her ass on the stick.

A full, round ass and a willingness to surrender completely to the desires of her co-star earn Jayden James an invitation to the party. Jayden's got one of the hottest cabooses in the biz, and this rear-ramming escapade is the perfect way to close out the second chapter in the *Asslicious* series.— *Rollie Fingerfuck*

AVAILABLE FROM:

RUNNING TIME:
240 Minutes

HEAT INDEXXX:
SSSSS

Wicked Pictures puts their best tits forward with a compilation release featuring a plethora of fuck frenzy scenes starring the brand's hottest cock-crazed XXX stars boasting major racks and an insatiable need to be licked, poked and sauced in jizz.

Among the breasty wonders in attendance is Wicked contract star, Stormy Daniels, who puts her massive cans and steamy sex skills on display in four of the 19 sessions included in the package. Young porn sensation Kagney Linn Karter's flesh balloons also surface in a bone pony ride with Rocco Reed as we get a chance to relive her extraordinary pussy plunge from the hit flick, *What Went Wrong*.

No one can deny that Jenna Presley possesses one of the finest sets of saline packed knockers in the game. It's this writer's opinion that her bang with Kris Slater in *Wicked Games* shows this goddess and her globes at their finest, and Wicked gets a major thumbs-up for including it in this compilation project.

Other melon-heavy porkings of note include Nikki Benz getting the shaft from Tommy Gunn in *Uptown Girl*, Krissy Lynn taking two dongs between her boobs in *Dirty Minds*, and those who believe that one pair of bra-busting boppers isn't enough will find solace and a lump in their pants from the threeway nut pop starring Carolyn Reese, Shyla Stylez and Randy Spears from the award-winning porn masterpiece, *Operation Tropical Stormy*.

If you can only afford to see one booby flick this year, *Wicked Tits* will give you the most tit fuck for your buck.— *Richie Boningham*

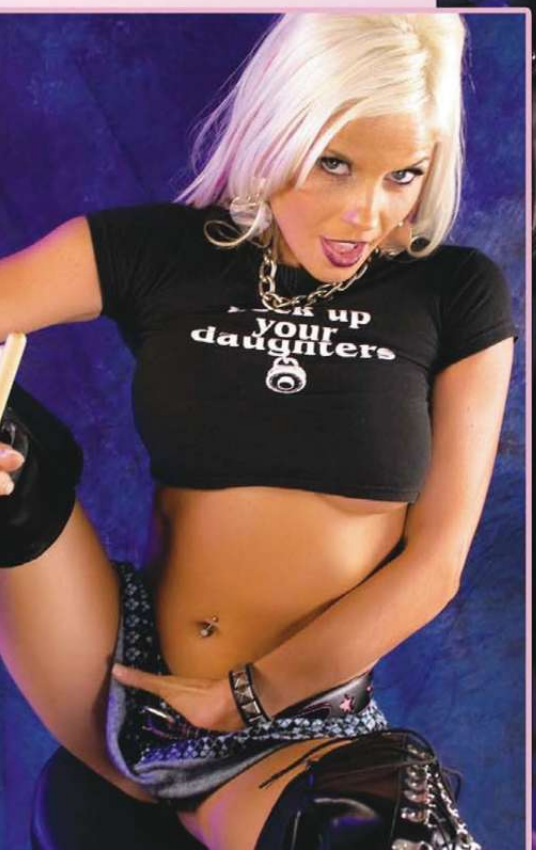
I WANT Candie TO...

27659

My name is Candie Lovett and I absolutely love to please men! Guys who visit me online at CandieLovett.com always ask me to live out their wildest fantasies with them and nothing gets me more wet than knowing I've made a guy happy and hard. So now I want to do it with you! I'll take your requests here and do whatever you say, no matter how kinky, and let you watch right here! Just as long as you promise to shoot your dick juice all over my face, here in the pages of ***SWANK!*** It'll make me so happy!



Hi, Candie,

I became a huge fan of yours immediately after seeing you in Swank. You could say it was lust at first sight!

I'm a drummer in a shitty garage band and we're always on tour playing in crappy bars, and the groupies I score with aren't nearly as hot as you. It would totally bone me up if I saw you fucking drum sticks and spreading your gorgeous pussy wide open over a drum kit.

I'm already horny just thinking about it and hope you are, too!

Garret M.

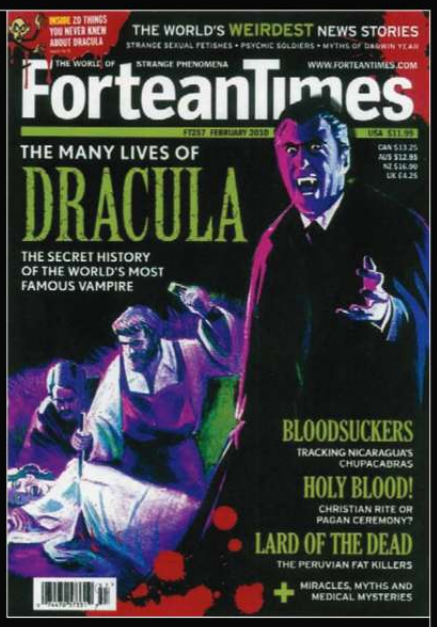
SWANK STUFF

Reviews & previews
by Neil Wexler

A lot of cool STUFF comes through our offices every month and we feel it's our duty to let you in on some this hip swagg. Whether it's the hottest new sex toy to hit the shelves, the coolest book to hit the stands or the wackiest product to be invented, you'll find your first look at it here!

A WALK ON THE WEIRD SIDE



If you're interested in unusual phenenomena, strange facts, curious people, and far-ranging theories that explain what official science considers the still unexplainable, then check out *Fortean Times*, a British magazine available in the U.S. Its name is homage to Charles Fort (1874-1932), an American writer who collected and catalogued all sorts of esoteric data in volumes like 1919's *The Book of the Damned* and 1932's *Wild Talents*. Following in his tradition, *Fortean Times* #257 has a cover story about the history of Dracula which discusses tourists in England who look for Dracula's gravesite, without realizing that Dracula was a fictional character; a short piece about "cryptozoology" or the study of "hidden" animals like mermaids, the Loch Ness monster, or the Yeti; a column about unique obsessions, like a woman who says she loves an amusement park ride "as much as women love their husbands," rides it 300 times a year, and sleeps with photo of the attraction on her bedroom ceiling; an A to Z guide to UFO theories, like the concept that so-called aliens are actually "futurenauts," or our very own human descendants who visit our era via time travel in flying saucers. Last but not least, a biographical article about two nineteenth century doctors who in 1896 compiled a definitive study of medical curiosities and abnormalities, investigating stuff like the legends of three-headed babies or how the fossils of prehistoric animals were mistaken for the bones of human giants.

The editors of *Fortean Times* particularly encourage their worldwide readership to send in clippings of peculiar anecdotes. The mag is fun, thought-provoking and occasionally creepy. A photo of an eight-limbed "Siamese" starfish nicknamed "Stan" weirded out your **STUFF** reviewer. Why? They're only supposed to have five limbs, making "Stan" the equivalent of man with, say—three arms and four legs.

SCULPTURE OF LUST!

This intriguing item from those sex toy experts over at Cal Exotics strikes me as something that goes beyond its advertised purpose. Sure, it's called Kaylani's Futurotic Doggy Style Masturbator, and no doubt about it, when you get one in your hands you're all set to blast off, so to speak, because, as their website says, it's "soft and tight" and comes complete with talcum powder. Then again, what about after you're done with your little fantasy tryst? Well, after you wash it off, this 7x3" creation of lifelike TPR can serve as an interesting artifact for your mantel or coffee table! Just like Edgar Allan Poe had his raven, you can have this fascinating dual-purpose sculpture to decorate

MOP-MEN, BOOTH BABES, PORN STARS & HAREM GIRLS

It was a warm night in early May in New York's Chinatown district. Veterans of the Gotham porn scene such as journalist, Michele Capozzi, and actor, Rick Savage, gathered at a bar named Happy Ending, which was once an actual Asian health spa. In fact, at the entrance to the joint, management played shadowy old surveillance tapes from back in the day showing Asian masseuses leading their customers in and out of the treatment rooms.

This was the setting for a regular Thursday night reading in the ongoing series by the *Sex Worker Literati*—a group of writers with intimate knowledge of the pay-for-play scene. Every first Thursday of the month, they give readings on topics like "Goddesses, Sinners, and Saviors" or "Show and Tell: My Favorite Outfit." Hosted by writers and former sex workers, Audacia Ray and David Henry Sterry, who shared tales of their own adventures. The show that I went to with ***SWANK*** editor, Jeremy McSandal, was called "Embarrassing Things I've Done for Money" and showcased our regular ***SWANK*** contributor, Guy Gonzales, reading excerpts of his vivid memoir about life back in the old sleazy Times Square, where he worked variously as a mop-man—cleaning up peep show booths, or as a stud performing with hot babes in live sex shows. There was also Aimee DeLong discussing the one nasty instance with a chocolate bar in a peep booth. One memorable part of Aimee's story was how she "quarantined" the money she got from her masturbating customers because she was afraid of their germs! Author, Jillian Lauren, spoke about her experience in a Middle

TORRID TEASERS ON T-SHIRTS

T.I.T.S. is a clothing brand that bases its designs—especially those of t-shirts—on images and fantasies of hotter-than-hot women. They're like modern, 21st century-style pinups that you can wear. The acronym stands for "Two in the shirt," and if you check out: *www.twointheshirt.com*—you'll see some splendid bazooms decorated with T.I.T.S. decals. In fact, one section of the site, "Great Tits," is a most entertaining gallery that will truly make your eyeballs happy! The company has a tight connection with the music scene, and there are links to hip-hop pics and videos, too. Additionally, T.I.T.S. has striking tees featuring porn superstars like Tera Patrick, Sunny Leone, and Nikki Benz.

To commemorate the requests of their fans and customers worldwide who love soccer, this year, T.I.T.S is putting out a series of tees spotlighting the 2010 World Cup. You don't have to be a soccer fan to appreciate the sexiness of these shirts or the women holding those balls on them! To order, check out their site: *www.titsbrand.com* and also look at the various accessories like nifty neckties, cool caps, and torrid towels. As always—tell 'em ***SWANK*** sent you!

your chambers. It's useful for solo eroticism or art appreciation! It reminds me of ancient sculptures archeologists have found of things like Venus of Willendorf and curvy fertility symbols of long-ago societies. Who knows, someday in the far future scholarly articles may well be written about Kaylani's Futurotic Doggy Style Masturbator, pondering its meaning. And there I'll be, looking down from Heaven—or up from Hell—saying, "Your **STUFF** reviewer told you so!" Visit *www.calexotics.com* and look for it in the "Wicked Toys" section.

Eastern harem, in what was, comparatively speaking, the most genteel of the evening's offerings. Finally, porn director and actress, Candida Royalle, shared about the time she rehearsed for a sex scene with legendary, Richard Pacheco, at the beginning of his career as one of the best actors in 1980's hardcore. So, the beer was cold, the storytelling was compelling, and the only thing missing were some cute Asian chicks to pull your **STUFF** reviewer into a cubicle to give him one of those legendary happy endings!!!

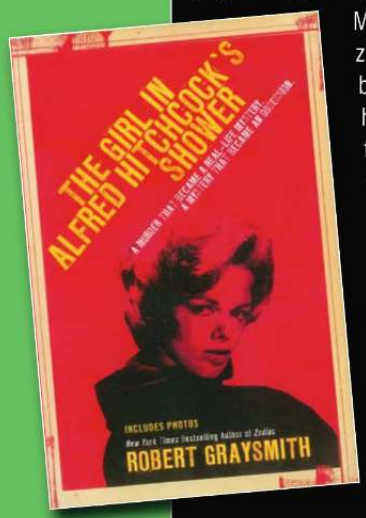
Nudist Marli was Janet 's body double in *Psycho!*

Above: The Girl in Alfred Hitchcock's Shower

PINUP-MEETS-PSYCHO!

The Girl in Alfred Hitchcock's Shower: What a great title for a book. I couldn't resist it when I saw it at Borders. It reminded me that no matter how great a film buff you are, there are always pockets of obscure knowledge you don't possess, as the subject of cinema is just too vast. I consider myself a fairly well informed Hitchcock fan, but I wasn't aware that Janet Leigh was not in all the shots in the famous shower sequence in *Psycho*. Or, maybe I forgot? My mind is stuffed with information about many other films nobody has heard of. At any rate, Leigh's body double in some of the more flesh-revealing images was Marli Renfro—a popular men's magazine model of the early '60s. This rambling, but, absorbing biography/cultural history, tells not only her story, but those of other people whose lives were connected—distantly or directly or even not at all—to Hitchcock's masterpiece of suspense. An opening scene where Marli—a firm-bodied nudist, stands around naked in the movie studio chatting with the portly Hitchcock (always in a black suit and tie) is memorable.



Author, Robert Graysmith, doesn't always connect the dots successfully, and this volume sometimes feels like a hodge-podge of undigested information, but nonetheless it's absorbing. One thing I liked—as a vintage men's mag aficionado—is that Graysmith gives us detailed peeks at the glamour photography business in which Marli Renfro worked. We learn about everybody from *Playboy's* Hugh Hefner—to bosom photographer and filmmaker, Russ Meyer—to hardworking lensmen, Peter Gowland and Sam Wu—all of which presented America with top quality girlie pics during the golden era of cheesecake in the '50s and '60s. We also see how *Psycho* affected a troubled man named Sonny Busch, who committed murders both before and after he saw the film. Also, we learn about a murder decades later of an elderly actress who had worked on *Psycho*. Finally, we read about *Tonight for Sure*—an obscure 1962 "nudie-cutie" movie that Marli Renfro also appeared in—which was the first professional directorial credit for Francis Ford Coppola—legendary director of *The Godfather* saga. Before I read this book, and being a fan of vintage sexploitation movies already—I was familiar with *Tonight for Sure*, even though I didn't know the gorgeous redhead in it was Marli Renfro, or that she had also been in *Psycho*. Graysmith is right about Renfro's appeal; and if *Tonight for Sure* ever comes out on DVD, it'll be worth the purchase. Although the movie was dopey, Marli was quite sexy in it—right down to her pretty toes. I caught it on a VHS tape I rented several years ago from a now-vanished video shop, but nowadays, even *Amazon.com* doesn't have a copy for sale. However, keep your eye out for it, as well as for *The Girl in Alfred Hitchcock's Shower,* published by Berkley Books (*www.penguin.com*)
